PLATFORM HOME OWNERSHIP

At Platform Home Ownership, we're passionate about building quality homes for our customers and creating communities that homeowners can be proud of. It's our mission to build a better future for the UK - investing in affordable homes to ensure accessible routes to homeownership for everyone.

BUILDING A BETTER FUTURE THROUGH NEW HOMES

ABOUT SHARED OWNERSHIP

Buy your Edwalton Fields home through Shared Ownership

Your dream home is more affordable than you may think with Shared Ownership.

Shared Ownership means you can purchase part of your home and then pay rent on the remaining share. Typically, you can purchase 40-75% of your home, but lower shares are available. What's more, Shared Ownership is flexible, and allows you to increase your level of ownership over time if you choose to.

Whatever your looking for, we have a wide selection of homes perfect for whatever your needs.

Buying through Shared Ownership at this development means you can purchase between 10-75% of your property and pay a subsidised rent on the remaining share you don't own.

HOW IT WORKS

STEP
1

Buy the first share in your new home

STEP
2

Pay rent on the remaining share

STEP
3

Buy more shares in your home later

DID YOU KNOW?

Shared Ownership offers great flexibility, and you can purchase more of your home through staircasing whenever you are ready too.

EDWALTON FIELDS IS WITHIN EASY REACH OF NOTTINGHAM CITY CENTRE.

A perfect location to live offering excellent links within the East Midlands region.

Edwalton Fields is just off the A606 giving you a direct route into Nottingham city centre.

This attractive new development offers a vibrant community in the suburbs with local shopping and schools on the doorstep.

Given that it is less than six miles away from Nottingham city centre it is handy for commuting and a short drive to the A52 takes you to junction 25 of the M1. Nottingham railway station is just 5.3 miles away from Edwalton. For air travel East Midlands airport is also within a short commute by car.

This sought-after area offers many outdoor activities with a near by golf course, local boutique shops and is popular with families with children.

ELECTRIC VEHICLE CHARGING

Installing an EV charging point is a smart and cost-effective upgrade.

With electric cars in the UK rising from 439,000 to 1,985,000 between 2020 and 2024, demand for home charging is growing. Properties with built-in chargers are becoming increasingly attractive to buyers.

According to the NAPB, an EV charger could add £3,000 to £5,000 to a home's value.

Beyond financial benefits, it helps properties stand out, especially to buyers with plug-in vehicles looking for ready-made charging solutions.
